**Other contacts**

**Internal:** Academic colleagues and administrative and support staff in the department and across the University; including the Library; ISS and central administration.

**External:** UK Research Councils; Other funding bodies, professional associations, the media, government, research networks, the community.

**Major Duties:**

- Actively participate and contribute to the development of the department as a leader in research nationally and internationally.

- Develop a research programme leading to publications in leading international peer-reviewed academic journals and to other appropriate forms of research output.

- Identify opportunities and attract funds for new research contracts and grants.

- Contribute to existing postgraduate and undergraduate teaching in the department through workshops, lecturing, tutorials and assessment, etc.

- Develop, where appropriate, new interdisciplinary courses in terms of design, content, structure, forms of delivery, method of assessment, etc.

- Supervise dissertation projects and PhD students.

- Play a leading role in the department’s academic and pastoral care of students.

- Take responsibility for various administrative responsibilities as requested by the Head of Department.

- Provide sabbatical cover where necessary.

- Undertake other academic duties as required by HOD or the Dean of the Faculty.
