**Other contacts**

**Internal:**  
Staff of Lancaster Medical School, staff in the Faculty of Health and Medicine, Lancaster University staff with similar/complementary research or teaching interests, and Professional Services staff.

**External:**  
NHS colleagues and other employers, business organisations, professional bodies, local and national government organisations, research funding bodies, and councils, academic, and research networks.

**Major duties: teaching, research, and academic leadership and engagement**

- Contribute to existing undergraduate and postgraduate teaching in Lancaster Medical School through Problem-Based Learning facilitation, Special Study Modules, Interprofessional Learning facilitation, Workshops, Debates, and Lectures.
- Contribute to the curriculum and assessment of the Professional Practice, Values and Ethics course elements (specifically Medical Law).
- Play a significant role in reviewing the existing Medical Law curriculum and recommended resources within Lancaster Medical School and working with the Professional Practice, Values and Ethics curriculum lead to implement changes.
- To play a significant contribution to the assessment of Professional Practice, Values and Ethics through exams and coursework, including assessment writing, marking, moderation, and board attendance.
- Develop a programme of research in a field relevant to Medical Law, Ethics or Professionalism.
- Obtain research funding commensurate with others in your field and at your career stage.
- Publish in international peer-reviewed academic journals and produce other appropriate forms of research output.
- Supervise undergraduate and postgraduate dissertation projects and form part of the supervisory team for PhD students.
- Fulfil the duties of Admissions Tutor, assisting the Director of Admissions with all aspects of selection and admission to the undergraduate medical and foundation year programmes, including leading on the delivery of information, advice, and guidance to schools, careers advisors, and potential applicants.
