### Other contacts

**Internal:**
Members of the Faculty Ageing, End of Life and Cancer theme, members of Lancaster University Centre for Ageing Research, other Divisional and Faculty of Health and Medicine colleagues and students, together with colleagues in other faculties, providers of student support services, the Library, ISS and central administration.

**External:**
Employers, business organisations, professional bodies, local and national government organisations, research funding bodies and councils, academic and research networks

- Actively participate and contribute to the national and international research reputation of the Centre for Ageing Research, the Faculty theme on Ageing, End of Life and Cancer, and the Division and Faculty more widely.
- Lead research teams and strategic academic initiatives in the field of ageing related to health and wellbeing.
- Develop a collaborative research programme leading to publications in leading international peer-reviewed academic journals and to other appropriate forms of research output.
- Identify opportunities and lead the process of attracting funds for collaborative research contracts and grants.
- Lead existing postgraduate and undergraduate teaching in the Division through e-learning, lecturing, tutorials and assessment, and initiate new programmes and modules.
- Strategically develop innovation within existing or new courses in terms of design, content, structure, forms of delivery, method of assessment.
- Supervise postgraduate dissertation projects and PhD students.
- Provide sabbatical cover where necessary.
- Take responsibility for various strategic management responsibilities as requested by the Head of Division.
- Undertake other academic duties as required by Head of Division or the Dean of the Faculty.
