### Other contacts
**Internal:** Members of staff within the International Observatory on End of Life Care, Division of Health Research, Faculty and University.

**External:**  
Academic staff at King’s College, London, York University, Hull-York Medical School, palliative care clinicians, health service R&D staff.

### Major Duties:

1. Provide high-level support to the Lancaster University study leads
2. Lead in liaising with CovPall academic partners and sites about all aspects of the study.
3. Undertake recruitment and data collection of different aspects of CovPall data including survey instruments and qualitative case studies.
4. Undertake data entry and data analysis of qualitative and quantitative data from multiple sources.
5. Preparing progress reports for the project team, funders and others as necessary. Preparing journal articles for high impact journals from the study according to the agreed authorship guidelines.
6. Promotion of the study at a national level, attending appropriate conferences and supporting preparation of papers for publication and appropriate use of social media.
7. Work as part of a team, or taking the lead where appropriate, to prepare and submit any further required regulatory and ethics documents for the research.
8. Undertake any other duties as directed by Head of Division or nominated representative.
