

PERSON SPECIFICATION

RESEARCH ASSOCIATE

Ref: A238R

"Context-aware systems and interfaces for Health, Wellness and Assisted Living"

Criteria	Essential/ Desirable	Application Form/ Supporting Statements/ Interview*
An MSc degree or equivalent experience in Computer Science or closely related field	Essential	Application Form
Eligibility under the funding scheme: Must not have lived, worked or studied in the UK for more than 12 months in the 3 years prior to starting date of the . Must not have completed a PhD. Must not have been in research for more than 4 years since Master's degree	Essential	Application Form
Excellent knowledge of methods and techniques for sensor data analysis, i.e. pattern recognition, machine learning and computer vision	Essential	Supporting Statements Interview
An understanding of and strong interest in human-computer interaction and ubiquitous computing	Essential	Supporting Statements Interview
Strong system development and programming skills, including on mobile or embedded platforms	Essential	Supporting Statements Interview
A strong desire and commitment to research training and collaboration within a European network	Essential	Application Form Interview
The potential to produce and present research results of international excellence	Essential	Application Form Interview
To convey an appropriate rationale and interest in applying for this particular post	Essential	Application Form Interview
An ability to present original research ideas and arguments	Desirable	Application Form Interview
Prior research experience with sensors and devices for wearable and ubiquitous computing, and/or eye-tracking systems	Desirable	Supporting Statements Interview

*

- **Application Form** – assessed against the application form, curriculum vitae and letter of support. Applicants will not be asked to make a specific supporting statement. Normally used to evaluate factual evidence eg award of a PhD. Will be "scored" as part of the shortlisting process.
- **Supporting Statements** - applicants are asked to provide a statement to demonstrate how they meet the criteria. The response will be "scored" as part of the shortlisting process.
- **Interview** – assessed during the interview process by either competency based interview questions, tests, presentation etc.
