**Other contacts**

**Internal:** Professor of Health Economics, Health Economics at Lancaster team, Divisional and Faculty of Health and Medicine colleagues and students, together with colleagues from within the University, including Dr Vincent O’Sullivan.

**External:** The post will require close contacts to be developed and maintained with staff working across the SPHR LiLAC team led at Lancaster by Professor Jennie Popay, the Efficiency and Equity Programme led by Professor Bruce Hollingsworth, and Liverpool LiLAC members, specifically Professor Ben Barr.

**Major Duties:**

1. Developing and leading, in collaboration with the grant staff, and the Health Economics at Lancaster team, a programme of work to support the economic evaluation area of the NIHR grant.

2. Liaising with the SPHR LiLAC teams at Lancaster and Liverpool.

3. Lead and/or contribute to the development of proposals for external funding for applied research and implementation initiatives.

4. Lead and/or contribute to a range of outputs arising from the NIHR grant work including academic peer reviewed journal papers.

5. Contribute as appropriate to the wider SPHR community through participation in cross theme collaborative activities and representing SPHR LiLAC team externally as required.

6. Undertake any other duties as required by the Head of Division or nominated representative.
